

A COMMUNITY CONVERSATION

We have all endured the loss of normalcy, relationships, loved ones, jobs, and so much more. As a leader, you see the impact on your community and have worked to keep up with the constant change and mitigate damage to your mission and relationships.

Awaken Creative Institute wants to come alongside you to facilitate a community conversation aimed at moving your group forward from loss in a healthy way. Through innovative and interactive strategies, ACI helps you build a safe space where dialogue can happen. Through our arts-based approach, creativity and joy are maximized and positive solutions are found.

A COLLAGE OF STORY AND SONG

GhostLight Ensemble's live performance of *One Last Final Thing to Say* asks the age-old question, "What would you want your last words to be?" With both humor and honesty, the play explores the many "lasts" we go through, the moments that matter the most, and what constitutes a "great" life.

DIALOGUE & PROBLEM-SOLVING

The 3-hour event includes an interactive component for dialogue and community problem-solving.
